HOUGHTON-LE-SPRING IN COLOUR

HOUGHTON-LE-SPRING LIES A SHORT DISTANCE FROM THE HISTORIC CITY OF DURHAM, CLOSE TO THE NORTHEAST COAST OF ENGLAND, AND HAS AN ENVIOUS HISTORY DATING BACK TO MESOLITHIC TIMES.

This interesting volume of photographs has been selected from the collection of local historian Paul Lanagan and then carefully coloured and restored by digital artist Dennis Cutts, giving a whole new perspective.

Many of the photographs have not been published before and will make a superb addition to any local history book collection.
