WELCOME

AS MAYOR OF the City of Sunderland I am delighted to welcome everyone to Houghton Feast 50 and its theme of 'Time Travel'. It is a great honour and privilege for me to open this year's Festival which dates back around 800 years and is such an integral part of the community here in Houghton-le-Spring. I hope to attend as many events as possible and support the 2017 Festival.

Houghton Feast 50 is a ten day festival, and as always, is jam-packed with events and activities to suit everyone. There will be a fairground, traditional ox roasting, church events, carnival parade, community events, exhibitions, talks and tours, fireworks and more!

Houghton Feast is truly an event we in Sunderland can all be very proud of and I do hope you are able to come along and join in all of the wonderful festivities and commemorations.

COUNCILLOR **DORIS MACKNIGHT**

THE RIGHT WORSHIPFUL
THE MAYOR OF THE CITY OF SUNDERLAND

HOUGHTON FEAST 50 is upon us and I am very pleased that so many dedicated individuals, groups, businesses and schools from across our Houghton-le-Spring communities have rolled up their sleeves and helped to plan or participate in our exciting programme which has Time Travel as its theme as we commemorate the 50th anniversary since the Great Feast Revival of 1967 as well as the 500th year since Houghton's famous Rector Bernard Gilpin was born.

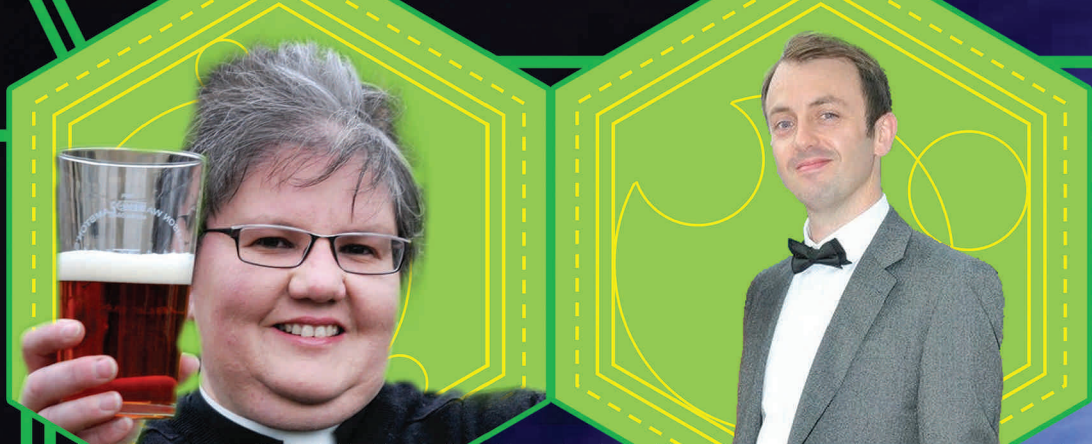

Thanks must go to Sunderland City Council and the Coalfield Area Committee for continuing financial and practical support of the Feast. In times of unprecedented cuts to public sector budgets the Council has ensured that funding continues for this important community event. This year the Steering Group has spent time discussing how we continue to provide for and improve Houghton Feast going forward. These discussions culminated in the setting up of The Houghton Feast Trust. Look out for more information about the Trust at this year's celebrations.

Finally, I want to thank all members of the Steering Group who work hard throughout the year to ensure we can all enjoy Houghton Feast.

Enjoy this year's Feast!

COUNCILLOR **ANNE LAWSON**

CHAIR OF THE
HOUGHTON FEAST STEERING GROUP

HOUGHTON FEAST 50

IT IS MY great pleasure to welcome you to this the fiftieth Houghton Feast in modern times. It is most fitting we are also celebrating 500 years since the birth of the most famous Rector of Houghton-le-Spring, Bernard Gilpin.

This year we have been celebrating the life and example of Bernard Gilpin by focusing on three aspects of his life: Faith, Generosity and Service. Gilpin founded Kepier School, he fed the needy of the town every fortnight from Houghton Feast through to Easter by roasting an ox and he cared enough to travel throughout Northumberland to people, who had never known the care and support of the Church.

Not only have we wanted to shine a spotlight on this remarkable man but we have also sought to inspire the people of Houghton to undertake acts of faith, generosity and service to impact our community for the better. We have done this through a variety of special events in Church and the Kepier Hall, in working with our local schools and through our community project SPACE4 - look out for us in the Feast Parade! Our work at SPACE4 is directly part of the legacy of Gilpin who had a special regard for the needy people of Houghton; we seek to emulate his generosity by reaching out through SPACE4 - do take the opportunity this Feast Week to find out more about what we do.

The Feast is the culmination of all our celebrations – let's be inspired this year to continue Gilpin's legacy of Faith, Generosity and Service, so that our community is transformed. I hope you and your families have a wonderful time celebrating Houghton Feast 50 and commemorating the life of Bernard Gilpin.

REV CANON **SUE PINNINGTON** MBE
RECTOR OF HOUGHTON-LE-SPRING
ST MICHAEL & ALL ANGELS CHURCH

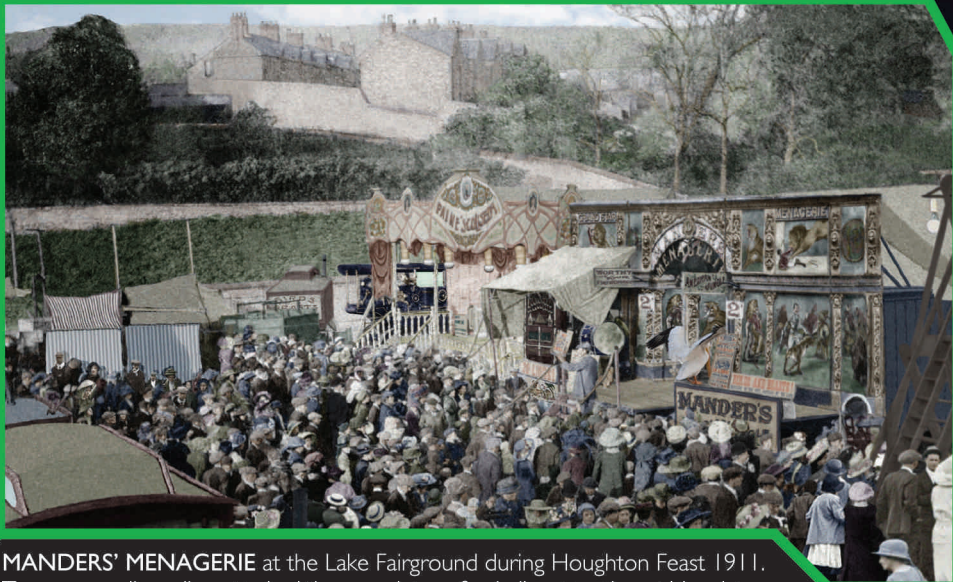

WELCOME TO THE fiftieth anniversary programme of events where we will be taking a journey through time. The photographs in this edition's gallery have come from the vast collections in the Houghton Heritage Society archive and show visits to the Festival in years gone by – times may have changed but the Feast is still about the people of Houghton coming together. If you find the photographs of interest, you will be pleased to know that the Society has recently published a new book featuring a similar collection but with everyday scenes from around Houghton-le-Spring, including the shops, streets, trams, and Rectory Park to name but a few.

Houghton Feast 50 commemorates the revival of the Festival in 1967, when the local churches and community groups joined forces and established the format of events that we still enjoy to this day – including the Rotary Club's ox roasting and the 41 Club's colourful Carnival Parade. The Feast is, of course, much older than fifty years and has its origins over 800 years ago as Michaelmas, the patronal festival of St Michael & All Angels Church, but it wasn't until the sixteenth century when Houghton's Rector, Bernard Gilpin, started the ox roasting tradition in the first place to feed the parish's poor.

You can discover more about Gilpin's generous and kind hearted acts elsewhere in this brochure and you can even meet him during this year's Carnival Parade when a re-enactor will bring him back to Houghton Feast in a light-hearted nod to a man who made a difference to the lives of some of Houghton's neediest people.

I do hope you enjoy the full range of Houghton Feast 50 activities, and, as John Mawston, Chair of the Houghton Feast Revival Committee, said in October 1967: "Your support of these events, which provide something for everyone, will be warmly welcomed and will be an encouragement to us all in striving to make next year's Feast even more attractive and enjoyable."

ROASTING THE OX

ON MONDAY OCTOBER 9TH 2017, A ROASTED OX, PREPARED OVERNIGHT BY HOUGHTON'S ROTARY CLUB, WILL BE CARVED BY THE MAYOR OF SUNDERLAND.

The practice of roasting an ox was re-introduced at the Houghton Feast Revival of 1967 by the Rotary Club in commemoration of Rector Bernard Gilpin who would roast an ox or hog to feed Houghton's poor in the 16th century, and this year celebrates its very special 50th anniversary!

Houghton butchers Jack Kinmond and Bill Curry were in charge of the first event.

Councillor John Mawston, Chair of Houghton UDC, cut the first slice and it was served up to Rector Oswald Noel Gwilliam. Only once has the roasting not taken place - in 1996 when the spit mysteriously disappeared, but thankfully a new spit was made and ox roasting continued at Houghton Feast 1997. Rotarian Ron Young became the ox roast coordinator in 1988 and has overseen the event ever since.

This year, sandwiches go on sale from 4pm however the event is very popular and the ox sandwiches do sell out quickly.

All proceeds from the sale of the tasty sandwiches will be donated to local charities.

Colin & Debra are delighted to welcome you to The Nutmeg Tree, formerly Peppercorn Cafe in Newbottle Street, Houghton le Spring. Serving a wide range of quality home cooked food, from breakfast and light bites, to main meals, and a selection of hot and cold drinks.

Miss Nancy's B I S T R O

Who is Miss Nancy?

We all have, or have had, a strong woman in our lives, whether it be our mother, wife, sister, aunt or friend. Someone who we love and admire because they bare unique qualities. I have my mother and daughter who show inside strength and the kindest hearts.

Nancy Doyle was my husband's - his mother. A lady who, although she was not rich in belongings, found the wealth of life in laughter and love of her family.

Nancy's influence has greatly touched the bistro, with her cameo brooch being our logo, dishes inspired by her favourite recipes, and of course her name.

When your heart has been touched by a strong woman, their legacy lives on... just like Nancy's.

BERNARD GILPIN

HOUGHTON'S FAMOUS RECTOR, BERNARD GILPIN, WAS BORN 500 YEARS AGO AND HIS GOOD DEEDS HAVE BEEN CELEBRATED AROUND HOUGHTON OVER THE PAST YEAR TO MARK THE ANNIVERSARY.

Bernard Gilpin is often referred to as the 'Apostle of the North' or 'Father of the Poor' for his many good deeds throughout his lifetime, as well as during his incumbency as Rector of Houghton-le-Spring between 1558 and 1583. Today his tradition of feeding the parish's poor with a roasted ox between Michaelmas and Easter is still re-enacted each year at Houghton Feast.

Around 1566, Gilpin cofounded a school in Houghton with his friend John Heath,

a London merchant. The Royal Charter was signed in 1574 and the school became known as the Royal Kieper Grammar School. Today it is used as a community hub.

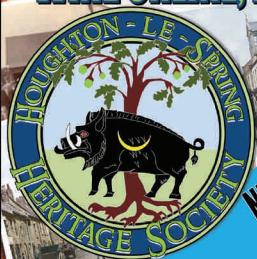

In February 1583, Gilpin was knocked down by an ox in Durham's Market Place. This left him in a weakened state and he died aged 66 years on March 4th 1583. He was interred the next day in a grave in the Parish Church and a large stone altar tomb was erected on the spot bearing his family crest, that of a wild boar, crescent moon and oak tree.

Many schools, streets and buildings in Houghton are named after Bernard Gilpin in tribute to his contributions to society.

THE 1967 FEAST REVIVAL

HISTORY SHOWS US THAT HOUGHTON FEAST, BETWEEN THE 1820S AND THE 1930S, EVOLVED FROM A SPECTACULAR ANNUAL HORSE RACE MEETING INTO A HUGE DRINKING SESSION AND AN EXCUSE TO VISIT ONE OF HOUGHTON'S DOZENS OF PUBS AND CLUBS.

The emphasis had sadly swayed from the Feast's historic and ecclesiastical links with the Parish Church. However, in 1967 the then Rector, Rev Oswald Noel Gwilliam, teamed up with the Rotary Club, Round Table, Chamber of Trade, Houghton Urban District Council and other community groups to start the revival of Houghton Feast.

The Feast was billed as 'new style' and was extended from four days to ten, as the format that we know today was established. Events were publicised in a free programme of special events, which included a foreword by HUDC Chairman, John Mawston. Concerts were held in St Michael's Church and a spectacular carnival of colourful floats was added to the line up. The Rotary Club even roasted a whole ox and sandwiches went on sale for 1/6 (equivalent to about 77p today).

The local press reported that: "the 1967 Houghton Feast will go down in history as one of the most memorable and a forerunner to even greater festivals in the future."

It is to this legacy which the current organisers strive to match each year, despite the many challenges faced.

SUPPORT THE FEAST

HOUGHTON FEAST NEEDS THE HELP OF THE COMMUNITY

Dear Friends, we are all very aware of the limitations put upon local councils to cut costs and as such, the Festival of Houghton Feast is at risk from cuts to budgets. To help keep the Feast going, a group of residents has set up a Charitable Incorporated Organisation, a kind of charity, called THE HOUGHTON FEAST TRUST.

2017 marked the 50th anniversary of Houghton Feast being revived as a community event but there has been a festival of sorts in Houghton-le-Spring for over 800 years - even before the famous Rector Bernard Gilpin roasted his first oxen in the 16th century to feed to the poor of Houghton!

We all have our favourite memories, be it the revived ox roasting, the fairgrounds, church services, carnival parade, pipe and brass bands, tea dances and dance shows, the illuminations...the list is endless - but if we don't start protecting what we have, we will possibly lose the much loved Houghton Feast!

We need to preserve the Feast for our children and the future generations to follow. If you can help in any way - financial, or volunteer time, or advice - please get in touch with the Trust.

Please send me further information about the work of
THE HOUGHTON FEAST TRUST. My details are below:

HOUGHTON FEAST - THE FUTURE

THE HOUGHTON FEAST TRUST IS A CHARITABLE INCORPORATED ORGANISATION AND WAS SET UP BY THE RESIDENTS OF HOUGHTON-LE-SPRING IN MAY 2017 TO SAFEGUARD AND PROMOTE THE ANCIENT FESTIVAL OF HOUGHTON FEAST.

Like similar events, Houghton Feast faces funding cuts which could jeopardise the current format of the festival along with the Feast traditions we have all enjoyed for decades. Houghton Feast has been supported by the local authority for many years (Houghton Urban District Council from 1967 until Sunderland Council took over in 1974), however these traditional funding sources are at risk of no longer

being available so local residents set up the Trust as a proactive measure to help keep our Houghton Feast going.

The Trustees, who collectively have over 150 years of involvement with the Feast, are: Kevin Reilly (Chairman), Paul Lanagan (Secretary), Chris Thompson (Treasurer), Lesley Dowell (Vice-Chair), Alastair Bradley (Assistant Treasurer) and Anne Thompson (Assistant Secretary).

Please look out for the Trustees and their helpers who will be raising awareness of the Trust at this year's Feast.

An official photographer will also be at main events taking photos for next year's brochure!
